

Contents

Himani Pandey, S. Senthilnathan and G.A. Thivakaran – Heavy metal contamination in Mahi Estuary, Gujarat	1
P. Tessy Paul and K.S. Sreenisha – Phytoplankton diversity of Tirur River, Malappuram District, Kerala	9
K. Arulmeha Ponradha and C.B. Nirmala – Seasonal variation of algal flora in Shri Nithya Kalyani Amman temple tank of Kadayam, Tenkasi district, Tamil Nadu, India	17
T. Lilly Thangamalar, J.K. Immaculate and P. Jamila – Presence of essential and toxic metals in commercially important seafood of Tuticorin	29
L. Renjanadevi and George Thomas – Evaluation of crucial physicochemical parameters of an aquatic ecosystem of Pampa River, Kerala, South India	39
S.V. Patil and V.C. Karande – Assessment of biodiversity and seasonal variation of Chlorococcales from Satara district, Maharashtra	55
Dharitri Borgohain and Bhaben Tanti – Atomic Force Microscopy of the biogenic silica nanostructure of diatom	65
K. Murugaiyan – Protein content of some dominant seaweeds from Gulf of Mannar Coastal Regions, India	69
Bakthavachalam Babu and S. Pauline Gifty – Diversity of Freshwater Diatoms from the World Heritage Mamallapuram region of Tamil Nadu, India	77
Balkhande Jayvardhan Vithalrao – Phytoplankton diversity in back water of Shankar Sagar reservoir of river Godavari at Dhangar Takli, Tq. Purna Dist. Parbhani, Maharashtra	97
Sreeja Krishnan, Salma Jasmine and S. Suveena – <i>In Silico</i> Prediction of Binding Affinity of the Compounds present in <i>Gracilaria verrucosa</i> (Hudson) Papenfuss with COX-2 Receptor involved in the Defence Mechanism of Inflammation	101
A. Megala and M. Baluswami – On the occurrence and distribution of <i>Euglenaria Karnkowska</i> , Linton and Kwiatowski and <i>Eugleniformis</i> Bennett and Triemer, Euglenophyceae in Tamil Nadu, India	107
Sreeja Krishnan, Anju Krishnan and S. Suveena – <i>In silico</i> studies of antiretroviral activity of compounds from the brown alga <i>Padina tetrastromatica</i> Hauck	117

B. Shobha Rani, P. Sujathamma, B.V. Ramana Naidu and C. Prabhakara Raju – The Genus <i>Cosmarium</i> Corda ex Ralfs from Kurnool District, Andhra Pradesh, India	123
C. Iniya Udhaya and J. John Peter Paul – Distribution and diversity of marine macro red algae in the coastal region of Tirunelveli district, in the south east coast of Tamil Nadu, India	131
Prasanta Mallick and Jai Prakash Keshri – New records and new taxa of genus <i>Xanthidium</i> Ehrenberg (Desmidiaceae, Desmidiales, Conjugatophyceae) from India	139
M. Muthu Sheeba and J. John Peter Paul – Hepatoprotective activity of ethanolic extract of <i>Chaetomorpha litorea</i> Harvey against paracetamol-induced hepatotoxicity	143
Anis Ahmed B. Choudhery and S.G. Yeragi – Salt-works of Mumbai for sustainable development	149
T.S. Kumar, A. Josephine, D. Swathi, I. Lawrance, K. Thirupathi, G. Dharani, R. Kirubakaran and S. Rajakumar – Effect of different light/dark cycle on the growth of <i>Chlorella vulgaris</i> under phototrophic and mixotrophic conditions	159
J. John Peter Paul, C. Iniya Udhaya, E. Fredrick Raja, P. Anusathya Priya, M. Muthu Sheeba and G. Ponnudurai – Study on anti-oxidant activity of methanolic extract of <i>Dictyota divaricata</i> Lamouroux	171
Papiya Halder, Manojit Debnath, Saran Ishika Maiti and Samit Ray – Influence of water quality on seasonal variation of lentic microalgae community in Bankura district West Bengal, India	177
B. Shobha Rani, P. Sujathamma, B.V. Ramana Naidu and C. Prabhakara Raju – The genus <i>Trachelomonas</i> Ehr. from Nandyala, Kurnool District, Andhra Pradesh, India	199
S. Divakar, T. Marudhupandi, P. Iyapparaj and P. Anantharaman – Surveillance of Vibriosis in <i>Penaeus vannamei</i> culture ponds on the east coast of Tamil Nadu, India	205
Jose John, P.S. Jayalakshmi and Gayathri Sharma – Additions to the algal flora of Kerala: <i>Euastrum</i> spp. from a conserved mangrove ecosystem on the east coast backwaters of Kerala	221
Thundiathu Thomas Binoy, Thomas Valukattil Ponnachan and Soosen Samuel Mavila – Outbreak of Harmful Algal Blooms (HABs) in the sacred river of Achencovil, Kerala, India during the post flood season	229
J.K. Sahu, S.K. Dash, B. Nayak, P. Pradhan and B. Rath – Combine effect of recommended dose of commercial preparation of neem (Neemet Plus) and various concentration of pressmud on growth, chlorophyll-a and nitrogenase activity of several species of cyanobacteria	241

Sadiqul Ahmed, Bharat Banti Buragohain and Farishta Yasmin – Study on Microalgal diversity of Kolong river in Nagaon District, Assam during COVID-19 lockdown period	249
A. Rekha and P. Sujathamma – Identification of Class Chrysophyceae, Xanthophyceae, Euglenophyceae from Tirumala Hills, Chittoor District, Andhra Pradesh, India	255
Bakthavachalam Babu and S. Vasanthakumar – Diversity and new records of <i>Cosmarium</i> Corda <i>ex</i> Ralfs (Desmidiiales, Zygnematophyceae) from Kanniyakumari District, Tamil Nadu, India	263
K. Murugaiyan – Seasonal variations of environmental parameters in the Gulf of Mannar coastal regions, India	285
