S.P. ADHIKARY, Bioerosion of archaeologically important temples and monuments of India and their preservation strategies	1
M. JENA, S.K. RATHA AND S.P. ADHIKARY, Algal diversity in Rushikullya river, Orissa from origin till confluence to the sea	9
N. THAJUDDIN AND G. MURALITHARAN, Applications of PCR based fingerprinting in the phylogeny of marine cyanobacteria	25
J.S. DHANDE AND A.K. JAWALE, <i>Oedogonium</i> (Chlorophyceae, Oedogoniales) from Jalgaon District	43
V. SOBHA, G. CHITRA, S. SANTHOSH AND J. CHANDRA THARA, Some recipes with seaweeds of Kerala coast	47
WADIE AHMED MOKBEL, SADANAND M. YAMAKANAMARDI AND T.S. HARSHA, Temporal variation in the Specific Growth Rate of heterotrophic bacteria of the ground water from three different Agriculture, Domestic and Industrial areas, Mysore district, Karnathaka state, India	51
G.M. NARASIMHA RAO AND G. SUBBA RANGAIAH, Effect of salinity and temperature on photosynthesis and respiration of some estuarine algae of Godavari estuary, India	65
KAPILA MANOJ AND CHEVLI BHAVESH, Evaluation of Benthic Communities in the intertidal region of Tapi Estuary, Surat, Gujarat	69
B. DIGAMBER RAO, D. SRINIVAS, O. PADMAJA AND K. RANI, Blue-green algae of rice fields of South Telangana region, Andhra Pradesh	79
R. R. SANAP, S.D. PINGLE, V.R. GUNALE AND A.K. MOHITE, Evaluation of water quality by using algal community of Godavari river at Nashik, M.S. India	85
R. R. SANAP, S.D. PINGLE, V.R. GUNALE AND A.K. MOHITE, Chlorophyceae from Godavari river at Nashik (M.S.), India	91

T. MURUGAN, An Inventory of the Algal flora of Temple tanks at Kanchipuram	99
JOSE JOHN AND M.S. FRANCIS, Observations on Haematochrome Pigment formation in two species of <i>Trentepohlia</i>	103
RAJESH VERMA AND RENU SARIN, Impact of groundnut shell extract on growth of <i>Spirulina platensis</i>	107
N. RENUKA BAI, N.R. LAILA BANU, S. JAQUILIN GOLDI AND J.W. PRAKASH, Effect of seaweed extracts (SLF) on the growth and yield of <i>Phaseolus aureus</i> , L.	113
P.K. MISRA, MADHULIKA SHUKLA AND JAI PRAKASH, Some fresh water algae from Eastern Uttar Pradesh	121
S. MURUGESAN AND V. SIVASUBRAMANIAN, Freshwater green algae from Porur Lake, Chennai	133
R. DHAMOTHARAN, R. THEVANATHAN AND S. MURUGESAN, Antimicrobial activity of semi purified fractions of marine brown alga <i>Padina tetrastrum</i> Hauck.....	141
S. MURUGESAN AND V. SIVASUBRAMANIAN, Freshwater diatoms from Porur Lake, Chennai	149
G. RANI, C. SUMATHI AND G. BHARATHI, Growth and composition of <i>Vicia faba</i> , L. influenced by Liquid Seaweed Fertilizers (LSF)	155
G. RANI, D. BHUVANESWARI AND S. UMAVATHI, Protein profile and amylase activity of <i>Oreochromis mossambicus</i> Peters FED with <i>Enteromorpha intestinalis</i>	161
H.S. DEY, S. BHUYAN, B. PRADHAN AND A.K. BASTIA, Freshwater algal diversity of Similipal Biosphere Reserve, Orissa	167
AARTI NARASIMHAN, P. SUMATHI AND V. SIVASUBRAMANIAN, Algal treatment (Phycoremediation) to improve water quality	173
A.K. JAWALE, D.A. KUMAWAT AND N.A. CHAUDHARI, <i>Dendrocystis raoi</i> , a rare member of Chlorococcales from North Maharashtra	185
SAPNA RAWAT AND G.P. SINGH, Impact of UV Radiation on growth and pigments of <i>Spirulina platensis</i>	189
N. RAJASULOCHANA, L. JOSMIN LAALI NISHA AND A. LEELAVATHY, Preliminary studies on the Sunambu kulathour Lake and Pond waer quality in relation to algal flora	199
PUSHPA SRIVASTAVA, Algal Farming - A sustainable agriculture for food, feed and fertiliser	205
