

Contents

M.A. Akhilamole, A. Noorjahan, R. Raghuraman, B. Aiyampeumal and P. Anantharaman – Alternate supplemented diets as spent seaweed on Nile tilapia, <i>Oreochromis niloticus</i> performance.....	1
P.S. Jayalakshmi and Jose John – Impact of massive flood in Kerala on the algal biodiversity of Periyar River.....	11
Abhay N. Salve, Swaranjali S. Gadhe, Manoj T. Patil and Aniroodha V. Pethkar – Studies on antimicrobial activities of selected algae from Maharashtra.....	19
B.B. Chaugule, J. Lobo and Kerkar Vijaya – Taxonomic account on the genera <i>Acetabularia</i> Lamouroux and <i>Parvocaulis</i> Berger <i>et al.</i> of the family Polyphysaceae (formerly Acetabulariaceae) from India.....	31
A.V. Waghmode, C.U. Narayankar, M.S. Nimbalkar and D.K. Gaikwad – Exploration of fucoxanthin and astaxanthin in macro alga (<i>Sargassum</i> sp.) by high-performance liquid chromatography.....	40
M. Punithavalli and K. Sivakumar – Phytoplankton diversity in relation to Abiotic factors from east coast of India, Tamil Nadu.....	50
Anandakumar Arunkumar, Gnanakkan Ananthan and Rajaram Murugan – A first report of intra-cohort cannibalism in flowerhorn cichlid, <i>Amphilophus citrinellus</i> (Gunther, 1864) x <i>Cichlasoma trimaculatum</i> (Gunther, 1867) under two differential culture system.....	70
M. Thillaiivasan and K. Sivakumar – Influence of seed presoaking treatment with seaweed leachates on paddy var. karunguruvai.....	76
Swetha Balakrishnan and G. Rani – New records of <i>Chara zeylanica</i> var. <i>diaphana</i> f. <i>sundaralingii</i> (Meyen) R.D.W. forma nova from South India with SEM studies on oospore and molecular studies (rbcL).....	83
A. Aranganathan and K. Sivakumar – Ecology of phytoplankton in Palaman River Chidambaram Town Cuddalore District of Tamilnadu.....	90
R. Aruljothi and P. Sampathkumar – Influence of physico-chemical parameters on phytoplankton diversity in coastal waters of Bay of Bengal.....	103
Kalpna Banoth and Balakrishna Dhatrika and T. Ravinder Reddy – Analysis of physico-chemical parameters and zooplankton abundance of yellamma lake, Husnabad mandal of warangal rural district, Telagana.....	122
J. John Peter Paul and G. Ponnudurai – Phytochemical analysis of methanolic extract of <i>Colpomenia sinuosa</i> (Mertens Ex Roth) Derb. Et Sol. from Manapad in the south east coast of Tamil Nadu, India.....	133

U. Elaya Perumal and R. Sundararaj – Studies on <i>Batrachospermum szechwanense</i> (Batrachospermales, Rhodophyta) from Kerala State, India.....	138
T. Mounika and B. Digamber Rao – Impact of 2,4-D on phycocyanin pigment, DNA and RNA content of four fresh water filamentous Cyanobacteria.....	146
P. Dutta, S. Bhakta and A.K. Bastia – Growth response and biochemical composition of waste grown cyanobacteria to paper mill effluents.....	156
S.I. Beema Jainab, Amthul Azeez, Asma Fathima and R. Ranjith Kumar – GC-MS analysis of the marine algae <i>Halymenia dilatata zanardini</i> a potential source of fish feed in future.....	164
V. Jino Aancius, K. Gracy Angel, D. Heizline Blessie and S. Geetha – Biosynthesis of magnetite nanoparticles using cyanobacterial polysaccharide and its anticancer activity.....	170
S. Mishra, S. Bhakta and A.K. Bastia – Pennate diatoms from Brackish water of Balaramgadi estuary, Odisha.....	182
A.M. Rawat, D.S. Bagri and S. Kumar – Water quality assessment of the reservoirs of Lambagad and Srinagar in relation to suitability for uses, Alaknanda Valley, Garhwal Himalayas, Uttarakhand, India.....	194
M Wanlambok Sanglyne and Papiya Ramanujam – Study of organic pollution in three selected water bodies of Meghalaya using Palmer’s Algal Pollution Index.....	207
Gunti Mallikarjuna, Chilukuri Sai Kiran Reddy, Challagali Prabhakara Raju, Puli Chandra Obul Reddy and Akila Chandra Sekhar – The <i>Genus Tetraëdron</i> Kutzing (Algae – Chlorophyta) from Ananthapuramu District, Andhra Pradesh, India.....	218
Gunti Mallikarjuna, Kola Gurulakshmi, Challagali Prabhakara Raju, Botta Venkata Ramana Naidu, Chilukuri Sai Kiran Reddy, Puli Chandra Obul Reddy and Akila Chandra Sekhar – Some freshwater algae from YSR Kadapa District, with new distributional records to Andhra Pradesh, India.....	227
C. Saikiran Reddy, B. Shobha Rani, P. Sujatha, B.V. Ramana Naidu and C. Prabhakara Raju – On the occurrence of <i>Chroococcus mipitanensis</i> (Woloszynska) Geitler in India.....	243
Poonam Sethi and Khrienuo Angami – Antiviral potential of a marine seaweed against Herpes Simplex Virus (HSV-1).....	247
K.K. Seena, Ignatius Antony and P.V. Anto – Seasonal Influences on Phytoplankton Diversity in Tributaries of River Bharathapuzha, Palakkad District, Kerala.....	252
